Detailed Project Description and Justification:

This project will fund upgrades to school security systems by improving the PA system. Funds will also improve the Multi-Purpose Room (MPR) at the school. It is used for Physical Education functions, as a large group instructional area, and serves as a cafeteria, theater, music, and choral functions, and other flexible uses. The room is in need of repairs in order to allow its continued, instructional use. This project was submitted by the Anchorage School District on their "Master Unfunded Needs" list. (item # 169)
